

TRINITY CLASSICAL SCHOOL

Logic School Uniform Policy

Trinity Classical School's uniform policy is rooted in a desire to create and promote a learning environment where attire is not a distraction to the educational process. Therefore, students are required to be in uniform each day while in class. The administration is responsible for the interpretation of the policy, and the enforcement of the policy is a joint effort between parents and staff.

- All our choices, including our clothing, reveal and communicate a part of who we are. It is our desire to utilize our Uniform Policy to ensure modest, appropriate dress that creates an optimal atmosphere for learning.
- The neat appearance created by a school uniform reminds our students they are in a ready-to-learn atmosphere.
- Uniforms help generate a cohesive presentation of the students in our school. When our students are in uniform it communicates, aesthetically, that they are part of the same team, working toward the same goals. The student identifies as part of a group that strives for excellence, and the guideline establishes a tradition toward that end.
